Dear Sir/Madam,

Enclosed is the MIF Research Fellowship Program 2024 Announcement.

This fellowship is for young researchers from overseas who seek research opportunities in Japan. The Matsumae International Foundation (MIF) has invited about 870 researchers from 120 countries/regions since its establishment in 1979.

The MIF would greatly appreciate it if you could share the fellowship program announcement with those interested.

The MIF looks forward to applications from your esteemed country.

Sincerely yours,

Secretariat
